TITLE INDEX

An index, arranged by title, to the current and renewal registrations listed in the first two sections. Omitted are titles for telephone directories; titles which are so general as to be meaningless without the name of the author (i.e., Poems, Proceedings); and titles of serials, compendia, etc. which are listed by title in the first two sections. Below each title in the index is the heading under which the main entry is to be found in the current or renewal section. Renewal titles are distinguished by the symbol R following the title.
